

LEG ULCER CLINIC

INTRODUCING

GIRI Gleneagles

Interventional Radiology Institute (GIRI)

Gleneagles Hospital
RICHMOND ROAD, BENGALURU

Advanced Leg Ulcer Clinic

The Gleneagles Interventional Radiology Institute (GIRI) represents the pinnacle of minimally invasive medical care. Our state-of-the-art facility houses advanced imaging technology and a dedicated team of specialists led by renowned experts. We offer precision treatments that transform traditional surgical procedures into minimally invasive solutions, providing better outcomes with faster recovery.

Welcome to Gleneagles Interventional Radiology Institute (GIRI)'s specialized Leg Ulcer Clinic, where we offer advanced non-surgical solutions to prevent amputation and promote healing. Our comprehensive approach combines cutting-edge technology with expert care to address various stages of leg ulcers and vascular complications.
